CONFERENCE INFORMATION

Welcome Message

Welcome to the 2022 College Conference of Illinois & Wisconsin (CCIW) Baseball Tournament.

The College Conference of Illinois & Wisconsin (CCIW) enters 2021-22 as its 76th season of competition, 36th for women's sports.

The CCIW, recognized as one of the "Best Small-College Conferences in the Nation," has seen its share of success throughout its time, with 58 NCAA Division III National Championships in 13 different sports won by the membership.

Since the 1991-92 academic year, the CCIW has remained consistent in its membership and welcomed back a former member in 2016. The CCIW consists of nine institutions, including Augustana, Carroll, Carthage, Elmhurst, Illinois Wesleyan, Millikin, North Central, North Park and Wheaton.

Carroll returned to the conference for the 2016-17 academic year after a 24-year absence.

The CCIW added three new associate members for wrestling in 2016, including Lakeland University, Concordia-Wisconsin and the Milwaukee School of Engineering. The University of Chicago (women's lacrosse) and Washington University in St. Louis (football) joined the CCIW as associate members in 2018, while Loras College joined as an associate member when the conference added men's volleyball in 2019. Aurora University, Lakeland and Marian University all joined as associate members for women's bowling this season. Transylvania recently joined as an associate member for men's lacrosse and begins competing in the spring of 2022.

The CCIW, which sponsors 25 sports, has carried a long tradition of excellence dating back to its inception in 1946, helping student-athletes grow in their athletic as well as educational experience. The conference looks to continue that tradition and remains dedicated to helping our student-athletes towards success.

On behalf of the CCIW and its member schools, we would like to thank you for your support and hope you enjoy your experience at all conference events.

Sincerely,

Maureen Harty
Executive Director

Mike Krizman
Assistant Executive Director

CCIW Mission Statement

The College Conference of Illinois & Wisconsin exists to serve a select group of private colleges and universities of similar size and heritage, which share a deep commitment to superior undergraduate education and a common perspective on the role of intercollegiate athletics in that education. The conference supports the following principles that distinguish the CCIW and its approach to intercollegiate athletics:

* Student-focused approach - CCIW schools place the highest priority on the overall educational experience of the individual student. Athletics are viewed as an important element of a well-rounded education. Student-athletes are integrated into the mainstream of the entire student body, receive no special privileges and are encouraged to participate in other campus groups and activities. The conference supports the active recruitment of student-athletes as a means of achieving the educational aims of each member institution.

* Broad based athletics programs - The CCIW program is wide-ranging in scope, with meaningful competition and

championships offered in numerous sports. Each member institution offers a broad based program of intercollegiate sports and seeks widespread student participation in that program.

* Fairness and equity - CCIW schools are sensitive and responsive to the needs and interests of both male and female athletes, and are governed by principles of fairness and equity in its approach to funding, staffing and overall support for all sports. Each member institution is expected to fully comply with all NCAA, CCIW and institutional rules and regulations in the operation of its athletics program.

* Overall excellence and national stature of the conference - The CCIW seeks to continually develop and strengthen itself with the goal of recognition of the premier NCAA Division III athletic conference. The CCIW seeks to promote keen competition, the highest level of sportsmanship and the strongest performance possible in each sport. Regular participation by member institutions in NCAA regional and national competition is an ongoing conference goal.
