last season.

The six-man second team resulted from a tie in the voting.

The first team has everything but outstanding size. Gramkow was the league's third leading scorer, Sunderlik was sixth and had the fourth best scoring average, and Hill, a defensive demon, ranked 12th.

The combined scoring average of the first five was 106.3.

All members except Elmhurst and Carroll were represented on the two teams. Millikin's three selections led the way. Wheaton and Illinois Wesleyan had two apiece and North Park, Carthage, North Central and Augustana one each.
