CONFERENCE INFORMATION

Welcome Message

Welcome to the 2019 College Conference of Illinois & Wisconsin (CCIW) Women's Golf Championship.

The College Conference of Illinois & Wisconsin (CCIW) enters 2019-20 as its 74th season of competition, 34th for women's sports.

During the 2018-19 academic year, the CCIW honored over 2,200 academic all-conference recipients, 18 CoSIDA Academic All-Americans, 43 CoSIDA Academic All-District recipients, and over 100 all-Americans.

The CCIW, recognized as one of the "Best Small-College Conferences in the Nation," has seen its share of success throughout its time, with 54 NCAA Division III National Championships in 12 different sports won by the membership.

Since the 1991-92 academic year, the CCIW has remained consistent in its membership and welcomed back a former member in 2016. The CCIW consists of nine institutions, including Augustana, Carroll, Carthage, Elmhurst, Illinois Wesleyan, Millikin, North Central, North Park and Wheaton. Carroll returned to the conference for the 2016-17 academic year after a 24-year absence.

In 2014, the University of Dubuque joined the CCIW as an associate member for men's and women's lacrosse. The CCIW added three new associate members for wrestling in 2016, including Lakeland University, Concordia-Wisconsin and the Milwaukee School of Engineering. The University of Chicago (women's lacrosse) and Washington University in St. Louis (football) joined the CCIW as associate members in 2018, while Greenville University and Loras College joined as associate members when the conference added men's volleyball in 2019..

The CCIW, which sponsors 24 sports, has carried a long tradition of excellence dating back to its inception in 1946, helping student-athletes grow in their athletic as well as educational experience. The conference looks to continue that tradition and remains dedicated to helping our student-athletes towards success.

On behalf of the CCIW and its member schools, we would like to thank you for your support and hope you enjoy your experience at all conference events.

Sincerely,

Maureen Harty
Executive Director

The Colleges and Universities of the College Conference of Illinois and Wisconsin believe that good sportsmanship is an integral component of intercollegiate competition.

The College Conference of Illinois and Wisconsin wholeheartedly embraces the NCAA position that in order for good sportsmanship to prevail, coaches, student-athletes and fans must display respect, fairness, civility, honesty and responsibility before, during and after all athletic contests.

The College Conference of Illinois and Wisconsin encourages fans to enthusiastically support their team, recognize the outstanding performance of opponents and always exhibit good sportsmanship in their words and actions.

All Conference tournament and championship operational policies are managed by the CCIW office in accordance with adopted conference and NCAA standards and protocols.

Championship Spectator Rules

As per NCAA regulations, there are some guidelines that must be followed by all golf spectators. Please do not jeopardize a player by ignoring these guidelines. The penalty is two strokes if a violation occurs.

- Spectators should remain on the cart paths or in the rough and approximately 15 yards from the players. No communication between players and spectators that could be deemed advice is allowed during play.
- Please do not walk on the fairway behind a group of players, since you might interfere with a trailing group.
- Please do not offer any advice concerning rules.
- Spectators may help look for lost golf balls.
- **NO CELL PHONE USE IS ALLOWED ON THE GOLF COURSE.** Spectators using cell phones on the course will be asked to leave the facility.

Remember, your "job" is to cheer and support the school and the players of your choice. Thank you for your cooperation.

CCIW Mission Statement

The College Conference of Illinois & Wisconsin exists to serve a select group of private colleges and universities of similar size and heritage, which share a deep commitment to superior undergraduate education and a common perspective on the role of intercollegiate athletics in that education. The conference supports the following principles that distinguish the CCIW and its approach to intercollegiate athletics:

* Student-focused approach - CCIW schools place the highest priority on the overall educational experience of the individual student. Athletics are viewed as an important element of a well-rounded education. Student-athletes are integrated into the mainstream of the entire student body, receive no special privileges and are encouraged to participate in other campus groups and activities. The conference supports the active recruitment of student-athletes as a means of achieving the educational aims of each member institution.

* Broad based athletics programs - The CCIW program is wide-ranging in scope, with meaningful competition and

championships offered in numerous sports. Each member institution offers a broad based program of intercollegiate sports and seeks widespread student participation in that program.

* Fairness and equity - CCIW schools are sensitive and responsive to the needs and interests of both male and female athletes, and are governed by principles of fairness and equity in its approach to funding, staffing and overall support for all sports. Each member institution is expected to fully comply with all NCAA, CCIW and institutional rules and regulations in the operation of its athletics program.

* Overall excellence and national stature of the conference - The CCIW seeks to continually develop and strengthen itself with the goal of recognition of the premier NCAA Division III athletic conference. The CCIW seeks to promote keen competition, the highest level of sportsmanship and the strongest performance possible in each sport. Regular participation by member institutions in NCAA regional and national competition is an ongoing conference goal.
